430 Years of Dedication

Carleton Place & District Memorial Hospital (CPDMH) recently honoured its longest serving staff at a Reward & Recognition luncheon. The event celebrated those who have reached long service milestones from five to forty years of service. Four recent retirees were also recognized.

"Thank you to all of the award recipients for your years of dedication and commitment to our patients and to each other," noted Toni Surko, CEO. "You have made a difference!"

A highlight of the festivities was the presentation of a 40-year pin to Dr. Marty White. Dr. White is a former Chief of Staff at CPDMH and the event provided a wonderful opportunity to celebrate his four decades of caring to patients in our community.

Congratulations to all of the recipients!
