

Congratulations & Thank You to the CPDMH Team!

Every year, Carleton Place & District Memorial Hospital celebrates the contribution and dedication of staff and physicians through the Long Service Awards program. It recognizes individuals who have attained long service milestones with the Hospital.

This year, we recognized 35 recipients, 10 retirees and 34 '20 Year Club' members who have served patients and families for more than 20 years.

Congratulations and thank you to this year's recipients!

5 YEARS

- Robyn Arseneau
- Sarah Bunker
