## OUR HISTORY

IN 1994 THE CARLETON PLACE & DISTRICT MEMORIAL (CPDMH) FOUNDATION WAS INCORPORATED BY THE PROVINCE OF ONTARIO AND REGISTERED WITH REVENUE CANADA AS A CHARITABLE ORGANIZATION. THE CPDMH FOUNDATION IS A NON-PROFIT ORGANIZATION, LED BY A DEDICATED VOLUNTEER BOARD OF DIRECTORS. OUR GOAL IS TO PROVIDE THE HOSPITAL WITH FUNDING THAT IS OTHERWISE NOT COVERED THROUGH THE MINISTRY OF HEALTH.

The CPDMH Foundation was established to strengthen the hospital's ability to provide high quality health care for patients in Carleton Place and surrounding communities. We offer opportunities to support the purchase of safe, quality patient care equipment, staff education, research and development and renovations and redevelopment to our Hospital and we are accountable to our donors, stewarding with respect, integrity and transparency.

CPDMH cares for almost 30,000 patients every year with the finest quality health services, deliver by an outstanding group of health care professionals! Help us maintain this high quality health care close to home!

## ...WHERE DONATIONS GO

ACCREDITED WITH THE HIGHEST EXEMPLARY STANDING IN QUALITY AND SAFETY, THE CPDMH IS A PLACE WHERE FAMILIES CAN BE REST ASSURED THAT THEY ARE IN THE BEST OF HANDS.

Your donations are critical to the health and wellbeing of our patients as they help ensure that they receive the best quality health care possible. Through funding of critical patient care equipment, our team of expert doctors, nurses and healthcare professionals are able to deliver patient-centred care that is second to none.

The CPDMH Foundation is responsible for raising money for the purchase of vital patient care equipment that the hospital requires to maintain and enhance the excellent standards of care they currently provide to our community. In the upcoming fiscal year 2016-2017 the foundation needs to raise \$335,000 to meet those critical needs for equipment that are NOT funded by the Ontario Ministry of Health and Long Term Care. We embark on several different avenues in fundraising to meet our annual targeted needs including special events, major donations, corporate donations and direct mail campaigns.

At the CPDMH Foundation, we work with donors to support the outstanding doctors, nurses and staff at CPDMH as they make a difference in the lives of patients and their families. We understand our donor's commitment to health care because we are donors too. While each of us has our own reason why we personally give, we are constantly moved by our donors who make such a difference through their generosity! We do believe that no other charity in Carleton Place touches people's lives as much as our hospital!

It you our donors who help make the difference between good health care and the outstanding care offered at the CPDMH. The Foundation offers opportunities to support the purchase of safe, quality patient care equipment, staff education, renovations and redevelopment to our Hospital and we are accountable to our donors, stewarding with respect, integrity and transparency.

This year our Foundation has a \$333,500 commitment to fund patient care equipment in addition to other funds raised to support the Hospital. The equipment required this year includes a new cardiac monitor and telemetry system upgrade, specialized patient beds and stretchers, ultra sound probe, orthopedic surgical equipment, and the final \$150,000 for our new digital x-ray machine coming this fall. Each of these items among others will ensure that our Hospital is equipped to meet the healthcare needs of our area for years to come.

**“WE ARE PROUD SUPPORTERS OF THE CPDMH FOUNDATION BECAUSE, WHAT BETTER WAY TO GIVE BACK TO THE COMMUNITY IN WHICH WE LIVE THAN TO SUPPORT THE HOSPITAL THAT IS ALWAYS THERE FOR US, AND ESPECIALLY THE ONES WE LOVE”**

## MAKING A DIFFERENCE – TOGETHER!

“Recently the CPDMH received Accreditation with Exemplary Standing from Accreditation Canada. The Foundation Board is so proud of all the hospital staff who works so tirelessly to provide the best possible care for patients. This honour is theirs collectively. The Foundation’s goal is to raise funds to purchase the tools and equipment necessary to help the staff to provide that exemplary care.

Most people aren’t aware that almost all equipment purchases by hospitals is done through donated funds not through government. I am a proud monthly donor and I know because of that, I play a small role in the success of my local hospital. The Foundation Board are all proud donors. Donate and feel the same pride of giving.”

## CPDMH ON THE HOME STRETCH TO INSTALLING THE NEW DIGITAL X-RAY MACHINE THANKS TO YOUR GENEROUS SUPPORT OVER THE LAST THREE YEARS!

THE CPDMH FOUNDATION HAS BEEN ACTIVELY FUNDRAISING FOR THE LAST THREE YEARS FOR A NEW LOW DOSE DIGITAL X-RAY MACHINE FOR THE HOSPITAL. THE TOTAL COST FOR THE NEW MACHINE AND ITS PORTABLE COUNTERPART WAS A WHOPPING \$850,000.

Thanks to the generous support of our community, local businesses and community grants we are pleased to announce that the equipment has been purchased and will be installed in September 2016. This equipment is desperately needed as parts for the existing x-ray machine are no longer available and it is past warranty. The digital x-ray machine will have a great impact on patients and is the best that modern technology brings to patient care. The machine will come with a multitude of benefits: it is low-dose, captures images digitally which can be sent to medical staff and specialists within minutes, and it has an adjustable table height to better accommodate a greater number of patients with various injuries.

In June 2016 The Commonwell Mutual Insurance Group, a home and auto insurance company focused on clients throughout Eastern Ontario, awarded the CPDMH Foundation with their latest community donation of \$25,000. Funded through The Commonwell’s C.A.R.E (Create a Ripple Effect) program, the donation was received by the Foundation on June 2nd, and will be used to fund a new digital x-ray machine. “Our Commonwell staff and brokers live in the communities that they serve, so giving back locally has always been very important to us all,” said Tim Shauf, President and CEO of the Commonwell Mutual Insurance Group.

“Carleton Place & District Memorial Hospital Foundation is a wonderful organization with an incredible reputation for providing exceptional medical care to the area. We’re truly honoured to support them in continuing that legacy.”

It is through the continued and ongoing support of our donors that this new state of the art piece of equipment is coming to the Carleton Place Hospital. Whether it is individual donations, special events, corporate contributions, bake sales or golf tournaments it is because of you we continue to provide the best possible care to our patients!.....THANK YOU!

In the late summer of 2015 the Foundation, along with the very generous support of the Jean Fyfe Memorial Fund launched a matched giving campaign to all our donors and patients. The family of Jean Fyfe agreed to matched dollar-for-dollar through the fund any money raised in this direct mail campaign. An amazing \$62,000 was raised by the community and then matched for a total of \$124,000!

## MONTHLY GIVING THE EASIEST WAY TO GIVE AND HAVE THE MOST IMPACT!

Why not choose a way to give that suits your needs? Making a monthly donation is an efficient, secure and easy way to show your support for health care through authorized debit or credit card payments, for an amount that fits your budget.

**MS. ELIZABETH TAYLOR,  
CPDMH FOUNDATION  
MONTHLY DONOR**

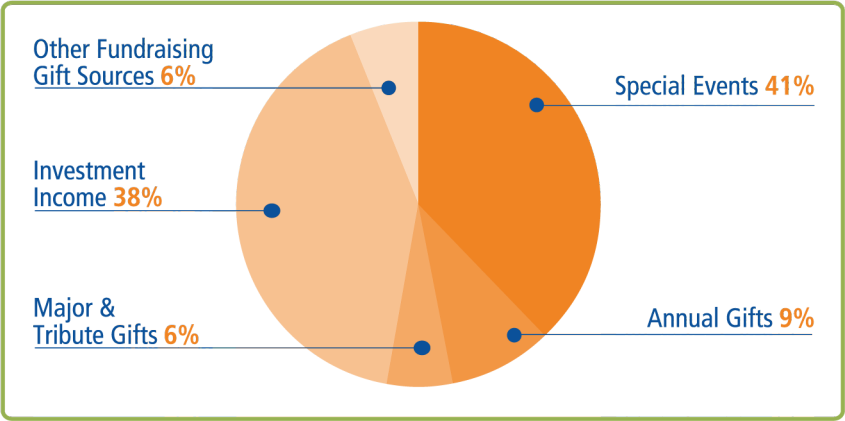

I chose CPDMH Foundation as one of my monthly donation options for a number of reasons, mainly that I am true believer in supporting our own community, where we live, work and play! Secondly as an individual who works in senior care in our community I know firsthand that CPDMH is a much needed and highly used resource for all of us in Carleton Place and the surrounding communities. I have seen firsthand how the hospital impacts those people in our community who need it most.

For me monthly giving is a simple and convenient way to make my gift to the hospital. Many people may not be aware of the tremendous benefits monthly giving provides the hospital. These benefits include a steady reliable source of income each month for the hospital, savings in postage and processing fees because you receive one tax receipt for your consolidated annual contributions.

Being a monthly donor is just so easy, you set it up once & you do not have to worry about it!

Please join me in supporting the CPDMH Foundation and become a monthly donor.... no matter how big or small every monthly donation matters!

## YOUR DONATION COUNTS!

Please take a moment and reflect how our hospital has touched you and your family's lives and how lucky we are to have such a wonderful hospital right here in our town. Our health care team has one main focus—YOU—the patient. In the last year the health care team has touched the lives of countless people and their family's with their compassion, skill and expertise. Every gift you give impacts the quality of care we are able to provide. Your support purchases essential patient care equipment that is not funded by the Ministry of Health—equipment we can't afford to be without. We count on you to help us provide quality and patient-focused care.

## ... MONTHLY GIVING

Monthly giving is a tremendous way to ensure your gift works harder. It's the most effective way to provide steady, on-going funds to help the Carleton Place & District Memorial Hospital. Not only is a monthly debit amount a more manageable way to give a generous gift—it saves administrative costs in envelopes and postage too.
