

# Bed Pan Classic a Success!

## Community Partners and Golfers Make a Difference for the Hospital!

The Golf Committee for the 13<sup>th</sup> Annual "Bed Pan Classic" Charity Golf Tournament and Auction is thrilled to announce that the event, held on Monday June 15, was great success! All funds raised support needed patient care equipment purchases at the Carleton Place & District Memorial Hospital (CPDMH). As we continue our on-going fundraising efforts, this event remains the largest of its kind both in funds raised and community involvement.

"We had a fantastic day with over 60 volunteers, 180 golfers, 39 sponsors and more than 120 auction and prize donors coming out to show their support for the Hospital Foundation!" stated Robyn Arseneau, Manager of Fundraising for the CPDMH Foundation. "We can't thank everyone enough for their enthusiastic support – without this amazing group of people and businesses from across our community, the success of this event would not have been possible!"

The golfing day featured many highlights including, fabulous golfer swag bags including an exclusive CPDMH Foundation putter & a multitude of sponsor-provided gifts and treats; 5 raffles for golfers to try their luck on; 7 team and individual prizes; hole games, therapeutic assessment and gift station; and 2 Hole-in-One prize sponsors.

The top team who took home prizes and

bragging rights with their names engraved on the elite tournament trophy for the best score belonged to a morning team comprised of golfers Scott & Bob Wilson and Jason & Rick Jackson. Congratulations to you and to all prize winners!

A huge **THANK YOU** is extended to all players and sponsors of financial, in-kind, prize, auction item, media, swag bag and featured hole support! Please see below for all those who made this day possible. We encourage you to show your support of their generosity by supporting their businesses! With Many Special Thanks to...
